

# St Hardulph's Primary School

## Parent Teacher & Friends Association (PTFA)

**St Hardulph's PTFA is a group of parents, friends and teachers who fundraise to buy additional and special resources for our school. They also arrange events and experiences for the children and their family and friends to enjoy.**

These activities include the annual Christmas disco and Easter egg hunt and next year the school will participate in the Breedon Summer Sunday event which is a community event on 24 June 2018.

Another key role of the PTFA is to work with local companies and organisations to secure grant funding and support for projects that will improve the environment of our school and the resources and experiences that our children have access to.

**To be successful and help all of our children, the PTFA really does need you!**

It might be to sell some raffle tickets, make tea and cook hot dogs, manage the banking, buy some Easter eggs, hide clues around the field, do face painting at an event, create a poster or tickets for an event, talk to local companies, complete forms, drink coffee with friends, meet in the local pub and make some new friends!

There are plenty of exciting events and activities that you can support to add value to your child's educational experience but it needs the support of parents, friends and volunteers to make it happen and it goes without saying that the more people who get involved, the less has to be done by everyone.

We hope that you do get involved, please don't be shy. If you would like to offer your support, whether it's for one event or to help plan activities for the year ahead, **please contact Charlotte Pallett on 07493230440.**
