

The Keys Federation
St John's C of E Primary School, Hindley Green
School Council Report – Autumn 2017

Present at the meeting:

J.Hunter (Assistant Principal)

School Council Representatives – Amy, Daniel(Y1), Izzy, Elise(Y2), Sophie,
Jack(Y3), Ben, Lydia(Y4), Darcy, Jayden (Y5),Harley, Imogen (Y6).

1. Introduction to school council

Everyone had a chat about why we have a school council and what our role is this year - to represent our peers.

How children can have a say in decisions so pupil's ideas can go forward.

Children to uphold highest standards at all times.

Action - Children to have this in mind whilst fulfilling their role within school. School council to be role models around school in appearance and behaviour.

2. Class Questionnaires

Children to ask their class three questions – What does school do well? Is there anything that would make our school better? What would you like School council to do for you this year?

Action- School Council to ask class for ideas and opinions. Bring notes back to next school council meeting.

3. Compline

Children spoke about how they didn't really enjoy compline and wanted to know if it could be updated or changed.

Action – Mrs Hunter to look into this and maybe do some work with the Worship team

4. Children in Need

Mrs H to send off for the fundraising pack.

School council to organize an non-uniform day to raise money – maybe spots or yellow

Action – To be sorted asap for Children in need day.

5.A.OB

Attendance – go back to points for attendance. If a class wins have some sort of record/display in the hall each week. Whoever gets the most at the end of each half term gets a treat.

Lots of children were asking if the tyres from the trim trail can be replaced or the trim trail revamped.

Behaviour – treat for children who have been on green all half term – green day?

More school events – speak to friends of SJ

Action – School council to take ideas back to classes to get their input. Meet next couple of weeks to compile list for Mr Heatley.
