What would you have done to try and stop war breaking out in Europe?	Suggest a number of ways you would have protected the British shores during WWII and explain which you think is best.	Create a map of the Island from Kensuke’s Kingdom and create a holiday advert.	What cloths could you make using materials found from Kensuke’s Kingdom.	Create a poster on a computer encourages everyone to recycle to help save rainforests	Imogen you have become Prime Minster of the country. What four things would you change? Explain how these changes would improve lives.
