

Outer North West Leeds

Be Active, Be Sporty

2017 - 2018

Welcome to our 'Be Active, Be Sporty Guide 2017-2018' for young people and children living in the Outer North West of Leeds.

The directory provides information for children and young people aged 0-19 years and includes contact information for clubs and activity providers. You will see there is a wide range of activities on offer in the Outer North West of Leeds, and we hope you find this booklet helpful for organising activities and contacting providers.

Please Note:

The producers of this booklet take no responsibility for the quality or standards of individual providers and would like to state that inclusion in this booklet is not a recommendation but for information only. It is your right and responsibility as a parent or carer to check how well a club or activity is run, for the sake of your child's safety and your peace of mind. A well run club or activity will welcome questions from parents and carers.

Every effort has been made to ensure the information is accurate at the time of printing; however some clubs and activities are subject to changes which are beyond our control. Please contact individual providers direct for more information.

Online and updated versions of the booklet can be found at:

www.aireboroughxs.co.uk
