November 2017

Dear Parents/Carers

**IMPORTANT REMINDERS**

**Dogs and the School Site:**

A few years ago our governors decided that our school site was a dog free zone because they recognised that some pupils have such a significant fear of dogs that they become anxious at the beginning and end of the school day which potentially impacts on their learning.

We trust that you will understand and support this decision, in the knowledge that it was made in the interests of some very concerned children and refrain from bringing dogs to school at the beginning and end of the school day.

**Message from Ferriby Hall Care Home:**

Please **DO NOT** park your car in their private car park at the beginning and end of the school day. It is preventing their own staff from being able to park in their own car park!

**Mobile Phones, iPods and Similar Items:**

**The owners of all such items brought in to school do so at their own risk.**

Please note that school does not accept responsibility for any loss or damage to such items in school. Increasingly, more and more children are bringing mobile phones, iPods, and other similar electronic items to school. It has always been, and continues to be, the school policy that such items **must** be left with the school office **in a named and sealed envelope, pencil case or bag** and collected by the child at the end of the school day.

We recognise that occasionally it may be necessary for children to bring mobiles etc. in to school, however, owing to the number of such items being brought in to school, it is now not possible for the office to administer this process unless the items are contained in a named and sealed envelope, pencil case or bag. **As from the week commencing Monday 20 November all such items not contained in a named and sealed envelope, pencil case or bag will be held in the school office and will only be released to parents or carers at the end of the school day.** Thank you for your support.

Thank you.

Yours sincerely

Mr R Orr
