"Where A Love of Learning Grows"

17th November 2017

Dear Parents

The school is taking part in 'Switch Off' Fortnight. This will be from Monday 20th November to Sunday 3rd December. During these two weeks we will make a special effort to save energy by turning off as much electricity as possible to save money and look after the planet. We have explained this to all the children during worship and would like to ask you to take part at home. The sort of things you could do are:

- Turn off all electrical equipment when not in use.
- Switch off lights when you are not in the room
- Do not leave equipment like the TV on standby
- Only do full loads in the washing machine and dishwasher.

If you would like to know more about this nationwide initiative, please visit the website:

<https://jointhepod.org/campaigns/switch-off-fortnight-2017>.

Thank you for your help.

Yours sincerely

Upton Snodsbury C of E First School Eco Team
