Love it  
And Learn it.**

Just wanted to let you know the following.

**16 November 2017**

## Schools Minister praises St George and St Teresa Primary School on visit

St George and St Teresa Primary School was praised by Schools Minister Nick Gibb on a special visit today. Dame Caroline Spelman, MP for Meriden, was also in attendance.

They were welcomed by the Chair and Vice Chair of School Council.

All of the classrooms were visited while lessons were in progress. Minister Gibb asked children about their work; he quizzed the children on their knowledge and understanding of what they do, and was impressed by the responses and enthusiasm. He talked about the work of Parliament and how all MPs were keen to ensure that British Values are embedded.

There were discussions about the teaching and learning that enables children in St George and St Teresa School to achieve such high standards. He was most complimentary about the successes in our school, and in particular, the very impressive percentage of children who left achieving a higher standard in Reading, Writing, Maths, and indeed all three areas combined. Minister Gibb wants to capture what he witnessed today, so that it may be shared with other schools. The children were great ambassadors for our school; we are very proud of each and every one of them.

Yours sincerely

Remember Children in Need day tomorrow.

D J Foxon  
Headteacher
