## What is Tapestry?

Tapestry is an on-line system which allows us to create an individual Learning journey for every child in Reception. We can add comments, notes, photographs and videos of your child and then link these to the Early Years Curriculum and the Characteristics of Effective Learning.

It can be accessed via the internet or downloaded as an app.

# How and why?

- ❖ For school to use as an assessment tool, gap analysis and to record next steps in the children's learning.
- ❖ Keep all assessments recorded in one place (video, photographs and written).
  - ❖ Email parents when there is a new observation.
- ❖ Parents have access 24/7 to their child's Learning Journey. You can comment on the observations added and add your own.
  - ❖ Saves time for staff.

# Is it safe?

- ❖ No information from Tapestry can be shared with other people or published in any way.
- ❖ This means that photographs or videos from Tapestry cannot be posted on a social networking site or displayed in a public place.
- ❖ Anybody found to be misusing Tapestry or adding inappropriate comments will have their parent account withdrawn.
- ❖ Signed consent form!

Users with the "Download media" permission can download these photos and videos.

## Notes

We had a visit from the Life Education Bus today. We talked about and learnt about ways to keep our bodies healthy. During this session, we learnt about things that help us be healthy, being safe taking medicine, why do we wash our hands, ways to feel better if you're sad, and what different parts of our bodies do. We all had lots of fun and learnt new facts.
