WELL-BEING NEWSLETTER November 2017 Issue 1

WELL-BEING AWARD FOR SCHOOLS (WAS)

We are currently working to achieve a school improvement award.

In order to evaluate our current provision, we need your input. Your views are important in helping us understand what we are doing well and how we can do even better.

You have been sent an email containing a link to a survey, but can be provided a paper copy if preferred (just contact us)

All responses and suggestions will be carefully considered and used to plan a range of school improvements.

If you have any queries about this survey, please contact us.

Thank you in anticipation and to those who have already taken the time to complete the survey.
