

e-Safety Evening

Wednesday 22nd November 2017 - 5.30pm

2nd November 2017

Dear Parents / Carers,

Do you know how to keep your children safe online? Do you know where to go to get help online? Do you know the scary side of electronic devices and the internet ie tablets, PC's and phones? Even if you think you know we have a lady who really knows ... please come to our e-Safety evening on Wednesday the 22nd November at 5.30pm to 6.30pm.

There will be a presentation from the Herts for Learning Advisor, who will advise you on the latest issues around eSafety, cyberbullying, social networking and gaming, and give you some guidance on how to support your children with other issues they are likely to encounter during their school life.

There will be childcare available for children in years 1 to 6, this is pre-bookable in advance. Please complete the form below and return it to the office.

We very much look forward to seeing you all there.

Yours faithfully,

Jon Hood
Headteacher

✂.....

Please complete and return to the school office

e-Safety Evening - Wednesday 22nd November 2017 5.30pm.

Name of child.....
