

Milk Spring Term 2018

20th November 2017

Dear Parent/Carer,

The cost of School Milk for the Spring Term is £14.00 Please indicate below your child's milk requirements and return this form to the school office by Friday 15th December 2017 to enable us to order the milk for delivery after the Christmas break. Only returned slips will enable your child to be given milk. If forms are returned after the date mentioned above, there may be a delay in your child receiving their milk.

Milk is free for nursery children, those under the age of 5 years for the whole of the term, and those entitled to and in receipt of free school meals (not universal). Application forms for free school meals are available from the school office.

Please note: We are unable to supply pupils with other types of milk such as soya, rice, goat or kosher. If your child has a dietary requirement and lactose reduced milk is needed, please talk to the school office.

Milk is provided at reduced prices as a result of European Community subsidy and is available for all primary school children.

Please pay for milk using your online School Gateway account.

Yours faithfully,

**Jon Hood
Headteacher**
