The homework sheet is too small to read

Homework is very inconsistent. Too much or nothing at all and expectations are often beyond the child's reach. They are in school long enough. There is often too much to do at home with little regard for any extra curricular activities they take part in

Your school is amazing

Would like to know what is happening with piano lessons as children seem to be being treated differently - i.e. Some getting a lesson and others nothing

I hope the next parent evening should be in the classroom rather than in the hall. It was so noisy and we hardly can hear properly. It was not very enjoy to the fact that we have to lean our ears closer to teacher and poor teacher has to speak loud enough to be able to reach us.

happy happy happy parent

Better communication between teachers and parents when comes to behaviour changes

Thank you

The school always looks nice.
