

Dear parents/carers,

This morning, in school, saw us observe two minute's silence, to honour Armistice Day, the signing of the armistice between the Allies and Germany that brought the end of the First World War.

For this year's assembly we were joined by members of the local Royal British Legion, and children in Years 5 and 6 put together their own power point

with facts and writing from the First World War.

A really big THANKYOU to all our parents and carers who sent money into school for the purchase of poppies (bands and bracelets). We have raised more this year than ever before.

Well done to the children in Years 1 and 3 who have jointly won this week's Attendance Cup, with 99%.

Please ensure that your children are in school and on time every morning.

Thank-you for your support.

Cards for Christmas...

In classes, children have produced their own Christmas cards; these have been printed by a commercial company and sent out this week. Please support the school's fundraising in ordering a set of your child's design. Instructions are clearly stated on the pack; orders need to be returned asap.

Christmas Pantomime

A HUGE thank you this week goes to the 'Friends' of St Peter's who have spent a considerable amount of money securing the services of a theatre company to come into St Peter's on the morning of Friday, December 15th, to perform Snow White. All children are invited to come into school on this morning in fancy dress/own clothing/party clothing to enter into the spirit!!

Thank you Friends...you are the best!!

In the Pink!!

Congratulations to Miss Winch, on the arrival of her new baby girl. Both mum and baby are well, and hopefully joining us for a visit in school in the next couple of weeks.

Stripes and spots for Pudsey

Reminder that next Friday is our Children in Need fundraiser. Please wear spots and stripes, instead of school uniform, and donate £1. Thankyou for your support.

Medical Reminder..

Please ensure that you arrange all medical appointments outside of school times if possible. If an urgent appointment cannot be rearranged outside of school hours, please ensure that you inform school in advance.

A reminder, that if your child is sent home from school with sickness and/or diarrhoea, please ensure that they are kept at home for 48 hours after the last episode. By adhering to this advice, 'bugs' are controlled more effectively and are less likely to be passed onto other children. Many thanks.

Delays in collection..

We have a small group of parents/carers who continuously arrive late to collect their children. Please ensure that you arrive on time because children become distressed. If you are going to be delayed please inform the school office immediately.
Thankyou for your support.

Advisory visits...

This week the school was visited by Theresa Pierce, the school's external advisor and a nationally accredited school improvement consultant, and by Heather Tetchner, Chelmsford diocese advisor. Both advisors were thrilled to see how the school is continuing to develop and raise standards in curriculum development, learning and assessments. The school was commended by both on pupils' exemplary behaviour and focussed learning.

School places from September...

If you have a son/daughter who is due to start in Reception in September, please note that the primary (Reception) admission round will open on 13 November 2017 (the closing date is 15 January 2018). Online applications can be made from 13 November 2017.

Early morning care..

We currently have spaces in Breakfast Club (open every morning from 7:30 a.m.) If you need to drop off at school early, you have the confidence of knowing your child is in safe hands.
