

Early Years Foundation Stage Newsletter – Autumn 2 - 2017

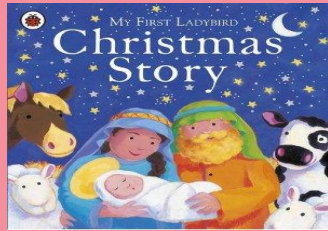

Dear parents/carers

Welcome to our autumn 2 newsletter. This second half of the autumn term our topic is 'Celebrations'. The children will be reading a range of books linked to the topic and we will be linking all our activities to this. Our activities will be fun and motivating for our children to learn. We are continuing to have a high focus on developing communication across the day and all the pupils have made progress since starting with us at the start of the school year.

Some stories you may want to look at-

'Kippers Birthday'
by Mick Inkpen

'The Christmas Story'
by My First Ladybird

'The snowman Puppet
book'

As part of our topic –
Celebrations - We
will be looking at

Guy Fawkes Day

Birthday's

Christmas

Hanukkah

Diwali

Activities to try at home to support our topic –

- Bake some cup cakes and decorate
- Balloon Printing
- Christmas cards
- Reading books
- Sensory experiences – lights, materials
- Role play – toy shop

Please don't forget to send us any photos of your children having fun and developing their skills at earlyyears@hattonspecialschool.co.uk or via the home school book. Thank you

Learning experiences outdoors

The children will continue to have learning experiences outside in our playgrounds. The weather is now turning colder so please send in hats, scarves and gloves for your children to wear as well as warm coats. Please remember to put your child's name on each piece of clothing. We have waterproof trousers for the children to wear in case they get wet or muddy. Please send in wellie boots for your child too if you have not done so already.

Workshop for parents and Stay and Play sessions

In the new year The Early Years Foundation Stage will be providing workshops for parents in the following areas,

1. Communication - PECS (picture exchange communication system), makaton, and speech.
2. Sensory – Senses, activities and ideas
3. Play skills – looking at different stages of play, interaction and ideas.

Following these sessions, parents will be invited to our “stay and play” where you can join in, have fun and support your child in their learning. Letters with dates and times will be sent out in the new year.
