

Churwell Primary School - Accessibility Plan

Learn, Aspire, Achieve

This Accessibility Plan has been drawn up in consultation with the Local Authority, pupils, parents, staff and governors of the school. This covers the period November 2017- November 2020.

1. We are committed to providing a fully accessible environment which values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.
2. Churwell Primary School plans, over time, to increase the accessibility of provision for all pupils, staff and visitors to the school. The Accessibility Plan will contain relevant actions to:
 - Improve access to the **physical environment** of the school, adding specialist facilities as necessary. This covers improvements to the physical environment of the school and physical aids to access education.
 - Increase access to the **curriculum** for pupils with a disability, expanding the curriculum as necessary to ensure that pupils with a disability are as, equally, prepared for life as are the able-bodied pupils. This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits. It also covers the provision of specialist **aids and equipment**, which may assist these pupils in accessing the curriculum.
 - Improve the delivery of **written information** to pupils, staff, parents and visitors with disabilities. Examples might include handouts, timetables, textbooks and information about the school and school events. The information should be made available in various preferred formats within a reasonable time frame.
5. Attached are Action Plans, relating to these key aspects of accessibility. These plans will be reviewed and adjusted on an annual basis. New Plans will be drawn up every three years.
6. We acknowledge that there is a need for on-going awareness raising and training for staff and Governors in the matter of disability discrimination and the need to inform attitudes on this matter.
7. The Accessibility Plan should be read in conjunction with the following policies, strategies and documents:
 - Curriculum
 - Equal Opportunities and Diversity
 - Staff Development
 - Health & Safety (including off-site safety)
 - Inclusion
 - Special Needs

8. The Action Plan for physical accessibility relates to the Access Audit of the School. It may not be feasible to undertake some of the works during the life of this first Accessibility Plan and therefore some items will roll forward into subsequent plans. The audit will need to be revisited prior to the end of each first three-year plan period in order to inform the development of the new Plan for the following period.
9. As curriculum policies are reviewed, a section relating to access will be added to that on Equality and Diversity. The terms of reference for all Governors' committees will contain an item on "having regard to matters relating to Access".
10. The School Prospectus will make reference to this Accessibility Plan.
11. The School's complaints procedure covers the Accessibility Plan.
12. Information about our Accessibility Plan will be published on the website.
13. The Plan will be monitored through the relevant Committees of the Governors.
14. The school will work in partnership with the Local Education in developing and implementing this plan.
