

Year 3 Helping Hands Award 2017-18

Dear Parent / Carer,

Your child is very keen to achieve the Respect Value in which they have to carry out a job at home for a short period. The Year 3 task is to "Help at home doing a weekly job for 6 weeks". This could be the same job each week or different jobs. If one week is missed, then you just continue the following week until the helping job has been completed 6 times.

Please could you encourage your child to carry out the task and when you feel they have achieved it to the best of their ability, fill in the slip below and return it to the class teacher.

The teacher will stamp the value on their certificate and it will go towards earning a medal at the end of the year. If you need any further advice please don't hesitate to pop in and see the class teacher or myself.

Yours sincerely,

Miss Cole
Deputy Headteacher
