

Message from class teachers:

We are still working really hard in year 6, everyone has settled well into the year group and is challenging themselves. We are excited to introduce Mrs Archer into our year 6 team, she will be delivering interventions on Mondays, Tuesdays and Wednesdays.

Teachers:

Miss Brockley

Mrs McIlroy

Mrs Holt

Mrs Archer

Teaching Assistants:

Mrs Webster

Mrs Roberson

Our topics this half term

Topic: Crime and Punishment

Science: Light

PE: Gymnastics

Computing: We are app planners

PSHE: Our Happy School

RE: Building a fair world

In Science we will be continuing to learn about light, focusing on shadows and reflections. We will also continue our topics on Crime and Punishment, comparing the UK to Australia following transportations looked at earlier in the year. In Geography we will be comparing and investigating rivers. Please encourage your child in carrying out any extra research into this topic to support their learning, we love to see any work completed at home. We are about to start reading 'Boy in the Tower' which the children are looking forward to, thank you to everyone who has purchased this book, we will be starting on Monday.

General Reminders:

PE: Your child will be doing PE on Tuesday and Friday each week. Please ensure that your child has their PE kit in school on these days and that all items are clearly labelled.

Children without a kit will have a letter sent home.

Reading:

We will hear your children read either in a group or individually throughout the term.

Please continue to share a range of reading materials with your child at home and question them about what they are reading.

Remember to colour a star in every time your child reads so they can receive a reward.

Important Dates:

9.11.2017: Maths Open Evening

17.11.2017: Children In Need non uniform day.

20.11.2017: Year 6 Fire Talk

6.12.2017: Christmas Dinner

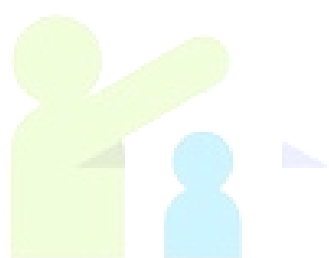

15.12.2017: Break up for Christmas
