Home /School Agreement 2017-2018

"The little school that makes a big difference."

Mission Statement:

Our distinctive church school is committed to developing lively and enquiring minds and achieving outstanding standards of education in a happy, safe and caring environment, based on Christian values, which encourage all to show respect, acceptance and understanding of others.

A successful partnership between the school, parents, pupils and the church helps each pupil to take full advantage of all that the school has to offer. We promote this in many ways, including the home/school agreement.
