

## **Mission Statement for values and ethos:**

We have one childhood and want to make the best of our chance at education so we can achieve our very best and have a successful career; have a happy, healthy lifestyle and become an active citizen.

As every moment is so precious and moves us towards being grown up, we understand the importance of coming to school on time, every day.

In our school, we learn to make friends, respect and support each other, listen to others, feel safe and socialise.

Our teachers make sure we are not afraid to make mistakes and with them, we learn to persevere and have fun.

We work towards racial harmony because we respect and celebrate the differences and similarities that make the KVPS family.

Our joint aim is for every individual to be the best possible version of themselves!

We are all special – all the children, all the staff, all the parents and all the governors and together, we proudly create our fantastic school.

Agreed with School Council, children, staff, parents and Governors. September 2017.

### **Kirkstall Valley Primary School**

As you can see from our shared mission statement, our school is a safe and welcoming place that promotes:

**Family Values**

**Joy of Learning**

**Successful Life Choices**

**Teamwork**
