

PERFORMANCE DATA 2016-2017

Assessment in primary schools was reformed in 2016 and a new expected standard has been created, which reflects a higher standard than in 2015. Results are no longer reported as levels: each child receives their test results as a scaled score from 80 - 120 and teacher assessments based on the standards in the new framework. A high score is 110 or above.

Grange Primary School's standards for 2017 are listed below with the national average being given in brackets.
