

The children were this week faced with 10 separate games!!! LOTS of different shots with different clubs that challenged the children to move and control the ball in LOTS of different ways. Just like they will need to do when they play on the golf course. Blue clubs, chippers, were added that gave the children something else to consider. This then led to a number of conversations around how to get the ball in the air. Lots of things for us to develop over the remaining weeks of the term.

We are ONE!! LAST CALL!

LAST FEW SPACES AVAILABLE.

On the 9th of December Brighton Junior Golf will celebrate their first birthday. Help us celebrate in style with a party like no other in Brighton Marina. We will kick off with Adventure golf, then off to Pizza Express for pizza making, Globalls in the dark next and we will finish up with hot chocolate, cake and of course an amazing goody bag!! Everyone welcome - to book -
