

DIOCESE OF ARUNDEL AND BRIGHTON

St Pancras Catholic Primary School

Our school value are:
Treat others how you expect to be treated
Let your little light shine

Democracy

The children at St Pancras have been discussing what democracy means. In assemblies, classes and pastoral care the children have learnt about elections and what a polling station is.

“Democracy means we get to vote, we have a say.” Year 1 child

Many children talked about their experiences of accompanying their parents/carers to polling stations where they had seen their parents vote.

The children at St Pancras School have voted for House Captains and School council representatives. Pupils also know they can help to make changes through the school council representatives and suggestions boxes.

The children have been talking about the General Election.

“It is important to vote, it is about our country. People get to decide who will be our Prime Minister.”
