Use the relevant account number shown above, our Ofsted registration number of **107717** or the school postcode **HD4 6XD** to search for us with your voucher company.

We are able to register with any childcare voucher company – if your employer's voucher company is not shown above please contact us and we will register our details to enable voucher payments to be received.

Please note childcare vouchers can be accepted in payment for any **non-curriculum activity** such as child care costs, after school clubs (sports, cooking, sewing etc.) or residential trips.

Invoices for out of school club childcare fees will be sent out by email each half-term and the invoice amount will be added to your child's [ParentPay account](#).

Payment can then be made online via ParentPay or in cash via PayPoint outlets (please ask the school office for a bar coded letter). Alternatively, if you request a voucher payment from your voucher scheme this payment will be received directly to our school bank account and we will credit this to your ParentPay account.

**PLEASE DO NOT HESITATE TO CONTACT US SHOULD YOU HAVE ANY QUERIES REGARDING
CHILDCARE VOUCHERS OR OUT OF SCHOOL CLUB PLACES / INVOICE PAYMENTS.**
