Agenda	Action	Outcome
Introduction	To re-introduce ourselves	Everybody said their name and were greeted.
Issues	To discuss any issues that students have within school.	Adam said he would like to work with a mixture of people. McCauley said he had lots of friends and he was very happy.
Fundraising	We discussed ways to fundraise for our chosen charity.	Adam suggested members of sixth form do a sponsored run or swim. We all agreed that a wrapping service for staff would be a good way to raise money. A wrapping service once a week will be set up and Emma will try and organise sixth form to do a sponsored swim.
Kindness awards	We reminded ourselves about the kindness awards. We decorated posters to remind the rest of the school about the kindness awards.	Kindness award posters were handed out to each class throughout the school.
