Ongoing	Science	Geography	University of Delph Side	eSafety	English	
	Nature and field journals - observations over time of seasonal changes, plants, weather and length of day		Throughout the year, a club programme (Study Support) will take place at lunch times and after school to encourage skill development to support the curriculum.	Whenever children are engaged in electronic communication, establish and reinforce messages about using technology safely and responsibly.		Spelling and handwriting should be taught discretely. Refer to the key learning in writing document for progression guidance.
