PE & Sports Premium Funding 2017/18

What is the P.E. & Sports Premium?

P.E. & Sports Premium is funding jointly provided by the Department for Education, Health and Culture and Media and Sport.

During the academic year 2016-17, each school received an annual allocation of £8,000, plus an extra £5 per pupil.

At Barnes Junior School this equated to around £9400 per annum. The money can only be spent on sport and P.E. provision in schools. In Autumn 2017 the Government announced additional funding for all schools. This equates to an extra £5689 for 2017/18.

Purpose of the Funding

Schools must spend the funding on improving their provision of P.E. and sport. Each school is responsible for making their own decisions on what best suits the needs of the school and its pupils. Examples include additional sport clubs, equipment to support P.E and hiring specialist P.E. teachers/qualified sport coaches.

At Barnes Junior School we recognise the contribution of P.E. to the health and well-being of our children. In addition, it is considered that an innovative and varied P.E. curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

At Barnes Junior School, all classes will be provided with weekly PE lessons taught by specialist teachers:

- Specialist teachers of swimming teach all Y5 pupils swimming at the Aquatics Centre. Transport is provided by Barnes Junior School, funded through the PE & Sports Premium funding.
- PEAK Education deliver specialised PE lessons to all pupils across 3 days per week.

During PE lessons, children achieve well in a variety of areas such as: gymnastics, dance, cricket, swimming, athletics, netball, hockey etc. Specialist teaching pushes the children to new heights. The planning of PE takes into account the New Curriculum and the Sunderland School Games' Calendar.

Use of the 2016-17 PE and Sports Premium Funding

Action and Cost	Impact
PEAK £4200 (lunchtime and after school activities)	Wider range of activities available as extra curricular activity including striking and fielding and invasion games. Introduction to simple playground games during lunchtimes led to good role models being formed and provided regular activity. Once a week a Change 4 life group was run by the PEAK coach-to develop skills and confidence.
Thornhill Secondary School PE Teacher- Mrs J Allen £1900 (Leaders course after school activity)	Focus on developing the leadership skills of group of year 6 children. These skills were used to support activities with younger children as well as develop wider skills such as enterprise.
Y3 & 4 Tennis £150	Development of striking and fielding skills which led to children being selected to represent the school in a tennis festival. Teachers present during coaching to encourage sustainability of teaching tennis.
Y4 Cricket £400	Development of striking and fielding skills. Teachers present during coaching to encourage sustainability of teaching cricket.
Y5 Basketball £400	Participation in Hoops 4 Health programme through Newcastle Eagles Community Programme. As well as coaching which led into a competition, the programme also included input around healthy living and keeping fit from Eagles players. One successful team of year 5 children also represented the school before an Eagles home game.
Y4 skipping £260	All of year 4 received skipping tuition over a course of weeks, and a team of children were selected to participate in a festival.
Foundation of Light £450	Y3 children enjoyed working with SAFC, taking part in a Disability Awareness Course where the children took part in class based work and P.E. lessons. This series of lessons ended with a Sports Festival at Barnes Junior School and watched on by parents.
Transport (swimming, team games) £1640	This money was used to support the weekly transport to swimming lessons. A number of children were selected to take part in the

	city swimming gala. Without access to a school field, it is necessary to transport children to play fixtures at other schools.
Total: £9400	

As part of the commitment to PE, Sport and active lifestyles, the following activities took place throughout the year at Barnes Junior School.

Barnes Fitness Fest – Spring Term

The theme for the term was Barnes Fitness Fest and all year groups planned exciting activities for the children to boost fitness alongside the weekly session of P.E.

Y3 children enjoyed working with SAFC, taking part in a Disability Awareness Course where the children took part in class based work and P.E. lessons. This series of lessons ended with a Sports Festival at Barnes Junior School and watched on by parents.

Y4 planned daily aerobic fitness sessions which the children loved and improved their fitness.

Y5 took part in a ‘Chance to Shine’ cricket sessions working with Durham County Cricket Club to improve cricket skills. Y5 also took part in a series of sessions working with SAFC - Tackle It Risk and Resilience. The children always enjoy these free sessions!

Y6 had a fantastic day when they were treated to an assault course led by army personnel.

The Barnes Marathon

In April, all the children took part in a run-a-mile event around Barnes Park. Each child paid £1 to enter, the money going to St Johns Ambulance, a charity that one of the school’s parents ran for in completing the London Marathon.

External Sports Agencies

Funding was provided for the following providers.

Y3 and Y4 classes each had one lesson provided by a coach at the Puma Centre to develop tennis skills in readiness for the Y3/4 tennis inter-schools competition.

Y4 took part in a Chance to Shine – developing cricket skills in a series of lessons.

Y5 took part in ‘Hoops for Health’ in conjunction with Newcastle Eagles. All Y5 children participated in a fantastic series of lessons led by Newcastle Eagles Coaches and resulted in an Inter Schools basketball competition. One of the Barnes teams went on to play in the Final at Northumbria University, where they played fantastically well but, alas, did not win!

Sports Days

House Sports Days were held at Thornhill School or at Barnes Park for all children in the school where they took part in athletics events, including running, jumping and throwing.

After School Clubs

Mrs Allen ran an after-school club for Young Leaders in Y6.

Mr Barron ran three after-school clubs which included a variety of games.

Other clubs in school were led by outside coaches including Dance, Karate and Brazilian Football.

Change 4 Life

Mr Barron led a lunch time club for about 10 children from Y3 and Y4 once a week to develop confidence and games skills in a small group.

Sunderland School Games

Barnes Junior School entered teams in Sunderland School Games competitions including swimming, tennis, athletics and skipping following work in P.E. lessons.

Barnes Junior achieved the Sainsbury's Bronze mark in 2016-17.

Competition:

Y4, Y5 and Y6 boys football teams were entered in Sunderland Schools events.

A Y6 girls team took part in a Sunderland Girl's football tournament – the first time this has happened. Establishing teams in Y4 and Y5 will stand the children in good stead for the future!

8 children participated in the Sunderland Schools Swimming Gala

Proposed Use of the PE and Sport Premium Funding 2017-18

In response to the doubling of the PE and Sport Premium, we propose the following actions to support the development of PE and Sport throughout the school during 2017-18.

According to the DfE,

“Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.”

Barnes Junior School will receive around £19,400.

Action and Cost	Intended Impact
PEAK £5000 (lunchtime and after school activities also sports leaders course)	Development of a range of activities to inspire interest with children. Leading high quality lunchtime activities and preparing children for leading sporting activities including with neighbouring infant school.
Swimming Transport and transport to sporting events £2850	To support the weekly transport to swimming lessons. Without access to a school field, it is necessary to transport children to play fixtures at other schools.
Y4 Skipping £300	All of year 4 to receive skipping tuition over a course of weeks, and a team of children were selected to participate in a festival
Hoops 4 Health £500	Participation in Hoops 4 Health programme through Newcastle Eagles Community Programme. As well as coaching which led into a competition, the programme also included input around healthy living and keeping fit from Eagles players
Development of 30mins activity per day £8000	To look into options into how the daily 30 minutes of physical activity can be achieved. To be implemented by start of

	summer term.
Additional coaching to prepare children for inter school competition. £2750	Source additional coaching in line with schools games calendar.

Considerations for 2017-18

- Ensure that children take 30 minutes of exercise per day.
- To encourage a greater number of children to become young leaders and lead small games on the yard at lunch times – to encourage greater participation of exercise.
- To achieve greater than Bronze in the Sainsbury's School Games Award for 2017-18.
To enter teams in a greater number of competitions e.g. re-join the netball league and encourage greater participation)
- Sport Relief – 17-23rd March 2018
