Whole school reward day

On Thursday 30th November the whole school enjoyed their treat day. Children receive a 'golden nugget' for demonstrating our Christian values, and they earned their reward by filling our golden nugget jar.

The children were split into groups according to the activities they had chosen and spent the morning doing either art, construction, board games or sport. Younger and older pupils worked brilliantly together and some of the highlights included Year 1 pupils trying to learn to play chess with Mrs Sandells, Jayden and Issac in year 6 creating a tower taller than themselves, amazing modelling clay creations including unicorns and narwhales in art, and lots of children loving crazy catch in sport.

In the afternoon, everyone enjoyed watching a film (although Wagtails managed to squeeze in a short welly-walk first!)

Behaviour was superb during the day and it was so lovely to see everyone having fun and enjoying their reward.

Overheard in the playground at lunchtime...*"This is the best school day ever!"*

There will be more photos on the school website shortly!
