

HYNDBURN PARK PRIMARY SCHOOL
SPORTS PREMIUM FUNDING STATEMENT

The sports funding is provided in addition to the school's budget. Schools receive a sports premium budget for the financial year (April – March); this report is based upon the academic year (September to July). Schools are free to decide how to allocate this funding to best support the opportunities for improving the provision of Physical Education (PE) and sport in primary schools.

Possible uses of the funding might include:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE.
- Supporting and engaging the least active children through new or additional Change+Life clubs.
- Paying for professional development opportunities for teachers in PE and sport.
- Providing cover to release primary teachers for professional development in PE and sport.
- Running sport competitions, or increasing pupils' participation in school games.
- Buying quality assured professional development modules or materials for PE and sport.
- Providing places for pupils on after school sports clubs and holiday clubs.
- Pooling the additional funding with that of other local schools.

In 2017/18 the school is receiving 15,710

We have decided to use this money to:

- Buy into Hyndburn School Sports Partnership, which enables children across both key stages to take part in competitions and sporting festivals throughout the year.
- Subsidise places for pupils in both key stages in after school sports clubs each half term making them more accessible for all our pupils.
- Provide an after school club for our gifted and able pupils in order to build upon and nurture their talents further.
- Provide before school clubs for identified pupils in KS2.
- Provide before school clubs for identified pupils in KS1.
- Provide lunchtime clubs for identified pupils in Years 3 and 4.
- Provide a range of alternative extra-curricular clubs to encourage a wider range of pupils to engage in physical activity.
- Provide balance bike training for all children in EYFS.
- Provide Bikeability training for children in Years 5 and 6.
- Provide additional swimming sessions, swimming teachers and use of a sports room at Hyndburn Sports Centre for Year 4.
- Buy into the ASA schools charter swimming programme.
- Purchase additional sporting equipment.
- Provide sports leadership training to help identify children in order to build confidence and leadership skills.

- Provide playground leadership training focusing on quality, active playtimes.
- Purchase balance bikes, scooters and associated safety equipment to help develop coordination in EYFS.
- Invite a motivational guest speaker into Year 6 to develop goals and aspirations.
- Provide cover for staff to undertake PE CPD, including opportunities to observe others teaching PE.

The impact of the funding in 2016/2017 includes:

- An increase in the numbers of children swimming 25m confidently at Year 4.
- 33% of the children in Year 6 who accessed swimming in Year 4 are still able to swim 25m confidently.
- The school football team continues to improve their league position each year.
- The school netball team continues to improve their league position each year.
- The balance bike sessions in EYFS developed children's co-ordination enabling them to successfully handle the bike.
- 97% of the children who accessed the Bikeability session achieved Level 2 Bikeability Awareness.
- Increased participation in the number of pupils taking part in after school clubs across both KS1 and KS2.
- The identified children in Year 3 who attended the inter-schools athletics events were able to represent the school, establish an understanding of competitive sport and develop an awareness of sporting conduct.
- The school was successful in achieving the Bronze School Kite Mark and aims to achieve the Silver School Kite Mark during 2017/2018 academic year.
- Increased variety of sporting clubs and opportunities offered to the children.
- Increased participation in the numbers of children taking part in competitive sport.
- A broad range of key skills and independence being taught within EYFS, KS1 and KS2.
- A greater awareness of healthy and active lifestyles.
