

Say hello to Tapestry;
the innovative, interactive
online learning journal

At Benton Dene our Early Years Provision use the online learning journal Tapestry to record, track and celebrate your child's progress. This unique journal is shared online with you, allowing you to see special moments and view your child's progress.

All we need is an email address and we will send you the details including a password of how to login to your account. You can change the password once you are logged in.

You have 30 days to activate the account, so please do this as soon as possible. I'm sure you will be keen to see what your child has been doing in school.

We do need to know who the owner of the email address is for example some email addresses do not contain the persons name and we need to be fully aware of who we are giving access to children's details. Both parents can have a logon but we would require both email addresses.

You can use an app on a tablet or access the account on a pc. It is entirely up to you.

Sign up and enjoy! It's a wonderful opportunity to share your child's day.

Here are some examples to inspire you.
