## School Council Minutes 11/12/2017

### Members present:

**Y3 Dylan and Lily**  
**Y4 Alex and Macey**  
**Y5 Liva and Ben**  
**Y6 Kyle**  
**Staff: Mr Ward**

### Matters Arising:

Share any ideas that School Councillors have brought from their classes.

Children brought up the point that some children do not have much to do on the playground, the only thing they can sometimes join in with is football. This linked nicely with this week's agenda.

### Agenda Item

### Actions

#### Health Questionnaire

- Do you think we are a healthy school? Why?
- How could we make our school a healthier place?
- Why is exercise important?
- How could we improve play times and lunch times at Delph Side?

The new plan in school is for there to be colour co-ordinated zones. Children from UKS2 will be managing these areas (they will be selected to have this role for a week).

The children suggested activities such as:

- Basketball
- Skipping
- Reading
- Table tennis (possibly invest in an outdoor table)
- Role play areas (houses, etc.)
- Hula hoops
- Bat and ball

Mr Ward and Miss James are to order items using Sport Premium fund and feedback to the school council after Christmas.

This is the last meeting before Christmas, there will be a meeting on the second week back after Christmas.
