

Menna Bevan, Staff Governor

Background

I grew up in Ealing and attended schools in Hanwell, Greenford and Acton. After completing a degree in English and American Literature at the University of East Anglia, I worked in the media industry before doing my teacher training at the Institute of Education in London.

Reasons for becoming a governor at Grange Primary School

I have worked at Grange for over nine years now, and am keen to contribute towards the running of our fantastic school. Our staff is a strong, supportive group and it would be an honour to serve them as the staff governor.

What I can bring as a governor to Grange Primary School

Whilst at university I was first Secretary then President of the Drama Society. Back in Ealing I have been both Secretary and Membership Officer for a local theatre company.

I have taught across the school from Nursery up to Year 6. This means I have an excellent understanding of the curriculum throughout the school, and know many of the children and families in our school community. I understand the different demands placed on teachers across the year groups, so feel I can confidently present their perspective and that of others who work in the school.
