~~~~~  
**Year 4 residential trip - Langdale**  
**Thursday 10<sup>th</sup> May - Friday 11<sup>th</sup> May**

Dear Parents,

I am pleased to inform you that the Year 4 residential this year will be visiting Langdale Youth Hostel in the Lake District where the children will be taking part in a range of team challenges, shelter building and orienteering.

We aim that our trips offer the children an excellent opportunity to participate in outdoor adventure activities and to nurture skills such as team-working and problem-solving. It is a real pleasure to witness the children gaining so much learning and enjoyment in an alternative setting. Their confidence grows and they create some very special memories.

As a staff, we greatly appreciate that the cost implications of these trips can create difficulties for some families. In light of this, I have made sure that we get the best value for money possible, for the level of quality assured by YHA. If you would like to pay in weekly instalments, then the office staff will be very happy to help. A payment record card will be created and kept in the office so that you can pay as little and as often as you wish.

To secure a place for your child on the residential we ask for a deposit of £15 by no later than Wednesday 31<sup>st</sup> January. We will assume that your child will not be attending the residential if we do not receive a deposit by this date.

Please ensure that full payment (the remaining £74) is made by 10<sup>th</sup> April. We hope you will appreciate that the YHA expect full payment from the school in order to secure the booking.

The cost of the trip per pupil is as follows:

|                                     |                   |
|-------------------------------------|-------------------|
| Coach travel                        | £25               |
| Accommodation, activities and meals | £64               |
| Total cost per pupil                | <b><u>£89</u></b> |

If you have any initial queries regarding the trip, please let me know.

Kind regards,

Paul Hobbs (3/4H teacher)
