

Hockey Champs!

For the fourth year in a row St John's were once again crowned Carterton Hockey Champions. The team managed to remain unbeaten with no goals scored against us. Some amazing goals, a solid defence and a strong team spirit proved too much for the other Carterton schools. The team now progresses on to the West Oxfordshire Finals in March.

Cokethorpe U10 Hockey

Our Year 5 Girls Hockey team were treated to a Christmas Festival at Cokethorpe with afternoon tea and a special visit from Santa. The tournament itself proved difficult and cold. A goal from Amelia Bruce boosted spirits with a hard fought win over Wantage Primary. The afternoon was rounded off with a party in front of a nice warm fire.

Cokethorpe Cross Country 2017

We attended Cokethorpe Cross Country Competition for the third year in a row. Last years highest place finish, Grace Wilson moved up an incredible 18 places from 28th to 10th this year. Debutant Jasmine Caulfield earned an impressive 8th position in the girls race and Ryan Sheppard came in at an amazing 5th for the boys. A really positive afternoon and it was great to hear the children talking about progressing further next year with more practice. Cross Country will continue in February after the winter break.

"It felt like I ran 5 miles, I was really puffed out but I had two hot chocolates at the end so that was cool."

Abbie T

U9 Basketball

A selection of Year 4 children attended Carterton Community College's annual Basketball competition. 30 children had a great afternoon learning new skills and having fun trying to score.

"It was great, we didn't win but that didn't matter as we had so much fun and that's the important thing." **Leah H**

"I enjoyed the Basketball competition because I got to meet children from other schools." **Charlie D**

"I never thought I would score but I scored two, I was so happy." **Ellen E**

Thank You!

A big thank to Mr Dave Jackson for his help with the Year 5/6 Rugby club this past term. The team has been working hard in preparation for the upcoming completion. If anyone else would like to help with after-school clubs please let the office of Mr Hyatt know.

U9 Football

On Wednesday 6th December during the parent share afternoon, the Year 4 football team played a friendly against the Year 3 team. The Year 4 team started the match quite confident because of the age gap however soon realised they'd have to work for the win as the year 3 children came out fighting. Eventually the Year 4 team claimed the victory with 4 goals to 0. They all had a great time and congratulations to Kaycee Harsham who was Mr Hyatt's Man of the Match.

PE Kit Reminder

In order to participate fully in PE lessons - a compulsory subject under the national curriculum, pupils should have their kits in school during the week. Please make sure children also have suitable footwear and for colder days tracksuit bottoms and tops are recommended.

Forthcoming Events

Term 3

Year 3 Multi Skills
Wednesday 24th January

Year 5/6 Indoor Athletics
Monday 29th January

U11 Boccia Competition
Thursday 1st February
