Dear Mrs Bennett,

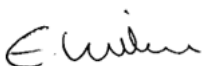

Dyslexia Friendly Full Status Award 2017 - 2020

Further to your recent reverification, I would like to formally congratulate you on achieving the Dyslexia Friendly Full Status Award.

I hope you feel that the commitment and effort that is required to complete the award has enhanced the provision and accessibility within the school and that the verification process was a positive experience.

Please offer our congratulations to your staff and particularly the staff involved in organising the verification.

Kind regards,

Mrs E Wilks
