<p>How did we intend to spend the PE Premium in 2016 - 2017?</p> <ul style="list-style-type: none"> <li>• We will continue to promote exercise and healthy lifestyles and increase participation in sports and physical activity by offering pupils a range of health and fitness workshops, family workshops, lunchtime clubs and events throughout the year.</li> <li>• Further utilisation of our playground areas to enhance sports and fitness provision in the school.</li> <li>• Development of a 3 year strategic plan for PE which outlines how the school will sustain the impact of the PE and Sports Premium funding beyond 2016, including long term impact on pupil attainment and participation, including in competitive sports.</li> </ul>	<p>What has been the overall impact of the PE and Sports Premium in 2016 – 2017</p> <p>Over the lifetime of the PE premium, teachers have been engaged in CPD across a range of the PE curriculum. Teachers have a range of strategies to engage children in sports, develop teamwork and encourage pupils to develop specific skills. This is reflected in the PE schemes of work which have been updated in light of the training received.</p> <p>Pupils have reported to enjoy the activities that have been offered. For those attending clubs and workshops, teachers have commented on how pupils' confidence has developed through these activities and that this has transferred to other areas of learning. Children have been able to enjoy the redesigned playground with the new features and markings.</p> <p>All pupils have been involved in activities to</p>	<ul style="list-style-type: none"> <li>• To amend dance planning in light of new ideas</li> <li>• To gauge which strain of PE to support teachers with next year</li> <li>• To continue to monitor attainment in PE across the school</li> <li>• To continue to support families in Healthy Living</li> </ul>

	<p>develop a healthy lifestyle. A number of families engaged with family-oriented activities, including some families which were specifically targeted by school staff. Attendance at MEND was good and most families completed the entire 10 week programme. Children were enthusiastic and engaged in the activities which aimed to develop healthy lifestyles.</p>	
<p>How do we intend to spend the PE Premium in 2017 - 2018?</p> <ul style="list-style-type: none"> <li>We will continue to promote exercise and healthy lifestyles and increase participation in sports and physical activity by offering pupils a range of health and fitness workshops, family workshops, lunchtime clubs and events throughout the year.</li> <li>This year, staff CPD will focus on dance teaching and learning which will include 'Funky Friday' lunchtime activity to get all the children moving and enjoying dance and an after school club which will be targeting our inactive children.</li> <li>We will look into a new PE scheme (REAL) to support teachers in their teaching of PE in response to staff voice last year.</li> </ul>
