Parent/Carer questionnaire – December 2017

Dear Parents/carers – one of the ways we can improve as a school is by encouraging feedback from you on a regular basis. This gives you the chance to suggest ways in which the school can improve as well as letting us know what is going well. This will help us to further improve both the education and care we offer as well as the communication between you and the school. We will publish the results on our website once we have analysed them.
