Curriculum

Dear children, parents and carers

We would like to introduce ourselves as your school governors.

School governing bodies are responsible for working with the school to ensure that it delivers a good quality education. Together with the headteacher, who is responsible for the operational day-to-day management, we set the school's aims and agree policies. Our role is therefore to monitor the strategic direction of the school and to monitor and maintain ever evolving school improvements.

Mrs Dugdale leads a team of staff who are enthusiastic, creative and dedicated to ensuring every child has an opportunity to learn in their own way, at their own pace. This secures the success that every child's unique learning style is respected, for their ultimate school experience. This contributes to increasing the children's confidence in their learning ability.

As governors we monitor, support and promote school improvement through school visits; agreeing on policies and scrutinizing data. In turn we can monitor and secure the children's opportunity to enjoy school in a safe, enriching learning environment.

We are delighted with the progress the children are making and with the exciting and stimulating Creative Curriculum.

Mrs Dugdale's "open door" policy encourages all children, parents and carers to discuss any thoughts or concerns you may have.

Governors welcome your feedback to assist in school improvement.

Michelle Baker
