Consequences of non-compliance will result in a phone call home and spare uniform will be provided where necessary. In some circumstances your child may be asked to be collected to change into correct uniform. By not complying to the school uniform, pupils are not able to represent school off-site as well as being identified as part of the school which could result into the child not taking part in outdoor activities.

If your child suddenly has a problem with part of their uniform, we ask for an explained written note from home in reading records and a replacement of uniform needs to be made as soon as possible.
