

Tornado Class Term 3

Maths

This term we will be looking at place value and different ways of partitioning numbers.

We will then work on fractions, finding both fractions of numbers and shapes. Also this term the children will learn about data, and different ways we can organise and show the data that we have collected.

The Great Fire of London

Literacy

In Literacy this term we will look at both fiction and non-fiction texts and their key features. We will begin the term by focussing on traditional tales.

We will think about the structure of writing and ways to make it more interesting, such as including similes and using different sentence openers.

We will continue looking at different types of punctuation and will introduce exclamation marks and question marks. In phonics we will continue to look at suffixes and spelling patterns.

Science

Materials. We will look at everyday items and consider the materials that they are made from and the reason why. The children will also investigate what materials are flammable and which materials float.

RE

In RE this term the children will be learning about Judaism.

DT

This term in DT the children will work to design, make and sew their own puppets.

Music

In music we follow the Charanga music scheme. This term's focus is called 'I Wanna Play In A Band'.

Topic

The Great Fire of London.

This term the children will be learning about The Great Fire of London, and the origins of Bonfire Night. We will learn about London in the time of The Great Fire. We will also study key historical figures such as Samuel Pepys and Guy Fawkes.
