

English

Dream Giver & Voices in the Park

We will be focusing on developing a strong understanding of writing skills for a variety of audiences. We will be looking at writing persuasive texts, narrative texts and newspaper reports. We will also be looking at different sentence structures and the use of punctuation.

Science

This term we will cover 2 units within our science lessons:

How would we survive without water?

How could we cope without electricity for the day?

PSHCE/SRE

We will be concentrating on growth mind-set including resilience and friendships

Maths

We will be learning about: times tables, real-life problems, investigations, fractions, decimals, multiplication and division, measuring and calculating the area of a regular shape.

PE

Swimming

Additional 'RealPE' sessions will be carried out on a Friday

Music

We will be carrying out 2 units this term from Charanga as well as learning to play the violin

Spring

Term

Year 4

RE

What do Christians believe about God?

Why is Lent such an important period for Christians?

Computing

We will be software developers, using scratch to program algorithms to design our own games.
