

As I am sure that you are aware, safeguarding children is always of paramount importance in our school. One particular area which receives lots of coverage in the press is ESafety. We teach the children during our ICT lessons, Circle Times and through Assemblies about relevant issues appropriate to their age. However, we realise that children have access to the internet in many different ways within the home. We have therefore booked for a specialist to come into school to do a workshop for parents on how you can safeguard your children within the home. This event will be on Monday 29<sup>th</sup> January at 5.00pm for about an hour. This event has been funded by the school and there will be no charge. **All are welcome. The content of this meeting will not be appropriate for children. If you cannot arrange childcare, please speak to the office as we may be able to help.**

## Fit Fridays

We have been asked by Steve Wigley, Road Safety Officer at the Local Authority to take part in the Fit Fridays challenge. Children are asked to come to school by walking, scooting, cycling, skating or even skipping. We will collect numbers on 4 Fridays – and one Thursday! (19<sup>th</sup>, 26<sup>th</sup> January and 2<sup>nd</sup>, 8<sup>th</sup> February), and the class with the highest total will be rewarded! For pupils who cannot take part in this initiative, we will be running a 'Weekly Mile' in school. From Charles, Matthew, Valentina and Millie - your Junior Travel Ambassadors

## Dates for your Diary for this term

### In January

- 16<sup>th</sup> – Dinostar in Y1 and Y2
