

OUR CLUB

We are located at St Peters Academy in Chippenham. We're a Breakfast and Afterschool Club, and operate throughout the holidays including Teacher Training days. Our club runs from the input of parents and children attending the club. We provide a friendly, safe and warm environment where all children and their families are welcome, and have fun too. We value children's free time to be their time, allowing fun and freely chosen play. We work in partnership with the school and parents.

We welcome parent/guardian feedback on our service we provide.
