January 2018

Friday 12/01/18	
	Golden Sweatshirt
Reception	Phoebe Moore
Year 1	Leon Wilson
Year 2	Jayden Benn
Year 3	Kian Tyson
Year 4	Molly Smith
Year 5	Anya Wright
Year 6	Ruby Anderson

Please find attached to this Newsletter **an important leaflet** I have been asked to draw your attention to in relation to a growing trend in 'county lines' drug dealing networks. Thank you.

The interviews are being held for the **Headteacher's post** this Thursday and Friday in school. The Chair of Directors will be writing to you on Tuesday 23rd January to inform you of the result of these and up until then any information in relation to this will be kept confidential.

Mrs Kate Wilson is our first **Director of the Week** and these updates will be featured in Newsletters until all the Directors have been included. This is as a result of our last Parent Questionnaire where the role of the Director seemed to be an area of concern.

A reminder that **Class 4** will be leading assembly in school on Friday 26th January at 9.10am to which you are all welcome.

Please can I remind you that should your **child be sick** they need to be off school for a full 48 hours following the time they last vomited.

If you **complete a slip and return to school** requesting tickets e.g. Rock Challenge and have indicated that you have paid online and then not done so, this is very time consuming for Mrs Bryden to follow up. Therefore please do not return the slip until the payment has been made. The office is a very busy place and your support is appreciated.

DIRECTOR OF THE WEEK

Mrs Kate Wilson

I have lived in West Cumbria for 35 years and both of my children attended Broughton Primary Academy School. The school has played a major role in my family's life and given my children an excellent start on their journey to become confident, successful and well-rounded individuals. I believe that a school can have a huge influence on not only a child's life but also on the lives of parents, carers and the local community.

As a Director of Broughton Primary Academy School, I have a special interest in the curriculum and I will be using my knowledge and experience to help monitor and evaluate our current curriculum and help develop and support new initiatives to ensure our school provides an interesting, robust and enjoyable curriculum so that all the children achieve their full potential and enjoy their learning experience.

Please could you encourage your children to cut their own food up as there seems to be a lot of children who struggle to do this. Many find it difficult to hold a knife and fork properly, something that all children from Reception upwards should be able to do.
