

Monday 15th January 2018

Dear Parent/Carer,

Following a pupil progress review meeting on Friday between myself and Mrs Mussell we have identified that your child would benefit from some additional booster support in maths, and in particular with 'Reasoning'. This learning support will ensure that they stand a better chance of meeting their end of Year 6 expectations and be more fully equipped for the demands of the High School curriculum.

Whilst these sessions are of course optional as they are outside of the school day it is vital that you know that without them your child's chances of meeting their expected standard will be reduced. The sessions will run from after school until 4.30pm and will include a drink and refreshments. Other children have been attending these sessions since September and they have shown some very rapid progress as a result, additionally we believe that by attending the group your child will feel more confident and relaxed about the SATs in May.

The sessions will be every Friday from this week onwards with either Mrs Mussell, Mr Hobson or Miss Green. Please complete and return the slip below to let us know if your child will be attending.

Thank you in advance for your support,

Helen Sullivan

Name of Child - _____

Name of Child _____

Will be/won't be attending the Maths Booster on Fridays. When the session is finished they will (please indicate, please inform us if this changes)

- Walk home
- Be collected
- Go into Keys Club
