

Dear Parent/Carer

Do you love gardening? We desperately need volunteers to help Mr Webber with the allotment/garden area. If you or a family member can spare any time we would be very grateful.

Mr Webber has done a fantastic job with the area so far and aside from the garden area, has built a poly tunnel so that the children can grow plants and flowers from seeds. As you can imagine trying to keep up with maintaining the area requires more help.

Any amount of time you could give would be greatly appreciated. Please complete the reply slip below indicating the times you would be available.

Once we have received replies, Mr Webber will contact everyone to arrange a volunteer rota.

Thank you for your continued support.

Yours sincerely

Mrs M E Oxe
