10th January 2018

Dear Parent/Carer,

As part of our Science lessons, we will be having a special workshop on **Monday 22nd January 2018** where the children will experience a variety of science related activities relating to materials.

This event is being subsidised by the school but in view of the valuable experience the children will receive, we would kindly ask that parents make a contribution of £2 towards the cost.

Please note that this event can be purchased online using your School Gateway account.

Yours sincerely,
