

## Maths

In maths, we will be exploring:

- Identifying and classifying triangles
- Measuring angles
- Fractions
- Multiplication and Division using written methods
- Different ways to measure and converting measure
- Problem solving through word problems
- Time

We will continue to practise our times table facts up to 12x12.

## PSHE and SEAL

The PSHE topic for this term is 'Going for Goals', where children will develop awareness of themselves as learners and how they can improve their learning experiences.

## Literacy

In literacy, we will focus on exploring the Titanic and Shackleton stories through: non-chronological reports, recounts, story and diary writing.

### SPAG Focus:

- Possessive and plural apostrophes
- Speech marks
- Simple, compound and complex sentences
- Fronted Adverbials
- Homophones
- Exploring prefixes and suffixes which change meaning

**Key Text-Ice Trap by Meredith Hooper**

## Ice Worlds

Year 4

Spring Term

## History with Geography

Year 4 will be learning about two fantastic stories of survival. We start the term discovering all about the Titanic. During this topic, we focus on the influential events leading up to the crash and its lasting legacy.

In the second half term, we will learn about the Antarctic, including the polar race and Shackleton's 1914 expedition on board the Endurance.

## Religious Education

Why Christians followed Jesus? Why Christians celebrate lent?

## Science

Children will study:

Animals, digestion, teeth and keeping warm, linking to our Ice Worlds Topic.

## Computing

**Net Searching** - Understand how results are selected and ranked by search engines

**Networks** - Understand what servers are and how they provide services to a network

## Music

Exploring a range of composers' work and aspects of notation, focusing on tempo.

## P.E

- Netball
- Football
- Gymnastics
- Dance

## D&T / Art

We will be designing, making and evaluating our own first, second or third class Titanic bedroom.
