Introduction

The policy outlines the commitment of the staff and Governors of St Edward's CE primary School to ensure that equality of opportunity is available to all members of the school community for our school this means, not simply treating everybody the same but, understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, celebrating and valuing the equal opportunity achievements and strengths of all members of the school community. These include: -

- Pupils
- Teaching staff
- Support staff
- Parents/carers
- Community governors
- Multi-agency staff linked to the staff i.e.: school improvement services staff, school attendance service
- Visitors to school
- Students on placement

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth.

At St Edward's CE primary School, equality is a key principle for treating all people the same irrespective of their gender, ethnicity, disability, religious beliefs, sexual orientations, age or any other recognised area of discrimination.

- We believe that all children should have the opportunity to succeed and that success often happens when it is shared within a caring, family environment.
- To provide opportunities for all pupils to learn and achieve.
- To promote pupils spiritual, moral, social and cultural development and prepare all pupils for the opportunities, responsibilities and experiences of life.
- To be safe, healthy, enjoy achieving, make positive contributions and have an awareness of their responsibility in terms of citizenship and economic importance.
- To develop and nurture the whole child so that by the time they leave our school, children have become focused and motivated learners who are self-aware in terms of how they learn and how to learn including their strengths and shortcomings.
- To respect and care for others showing kindness and consideration.
- To be respectful of the beliefs, cultures and views of others including religious beliefs and ways of life.
- To be cooperative and able to work with others.

We do not tolerate bullying and harassment of any kind. We actively tackle discrimination against those with a disability, racial discrimination, sexual harassment and discrimination and promote equal opportunities and good relations between and amongst all. We aim to ensure that the school promotes the individuality of all our pupils, irrespective of ethnicity, attainment, age, disability, gender or background. We are committed to ensuring that positive action is taken where necessary to redress the balance of inequality that may

exist. We aim to reflect the diversity of society and ensure that the education we offer fosters positive attitudes to all people. We believe that these commitments are important in every school.

Promoting Equality through the Curriculum Learning and Teaching

We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To do this, teaching and learning will:

- Ensure quality of access for all pupils and prepare them for life in a diverse society;
- Use materials that reflect a range of cultural backgrounds, without stereotyping;
- Promote attitudes and values that will challenge discriminatory behaviour;
- Provide opportunities for pupils to appreciate their own culture and religions and celebrate the diversity of other cultures;
- Use a range of sensitive teaching strategies when teaching about different cultural and religious traditions.
- Develop pupils advocacy skills so that they can detect bias, challenge discrimination, leading to justice and equality
- Ensure that the PSHE curriculum covers issues of equalities, diversity, religion, human right and inclusion
- Seek to involve all parents in supporting their child's education;
- Provide educational visits and extra-curricular activities that involve all pupil groupings
- Make best use of all available resources to support the learning of all groups of pupils;
- Identify resources that support staff development.

Learning Environment

There is a consistently high expectation of all pupils regardless of age, gender, ethnicity, ability or social background. All pupils are encouraged to improve on their own achievements and not to measure themselves against others. Parents are also encouraged to view their own children's achievements in this light.

To secure the desired outcomes we recognise:

- Teacher enthusiasm is a vital factor in achieving a high level of motivation and good results from all pupils;
- Adults in the school will try to provide good, positive role models in their approach to all issues relating to equality of opportunity;
- The school should place a very high priority on the provision for special educational needs and disability. We aim to meet all pupils' learning needs by

The Bishop Anthony Educational Trust

carefully assessed and administered programmes of work (see SEND policy and Accessibility policy);

- The school must provide an environment in which all pupils have equal access to all facilities and resources;
- All pupils are to be encouraged to be actively involved in their own learning;
- A range of teaching methods are to be used throughout the school to ensure that effective learning takes place at all stages for all pupils.

Curriculum

At St Edward's CE primary School , we aim to ensure that our:

- Planning reflects our commitment to equality in all subject areas and cross curricular themes promoting positive attitudes to equality and diversity;
- Pupils will have opportunities to explore concepts and issues relating to identity and equality.
- All steps are taken to ensure that all pupils have access to mainstream curriculum by taking into account the cultural and lifestyle backgrounds of all pupils, their linguistic needs are taken into account and their learning styles are considered.
- All pupils have access to qualifications which recognise attainment and achievement and promote progression.

Ethos and Atmosphere

- At St Edward's CE primary School , we are aware that those involved in the leadership of the school community are instrumental in demonstrating mutual respect between all members of the school community;
- There should be an 'openness' of atmosphere which welcomes everyone to the school;
- The children are encouraged to greet visitors to the school with friendliness and respect;
- The displays around the school are of a high quality and reflect diversity across all aspects of equality of opportunity and are frequently monitored;
- Provision is made to cater for the spiritual needs of all the children through planning of both assemblies, classroom based and externally based activities.

Resources and Materials

The provision of good quality resources and materials within St Edward's CE primary School is a high priority. These resources should:

- Reflect "the reality of an ethnically, culturally and sexual diverse society;"
- Reflect a variety of viewpoints;
- Show positive images of males and females in society including people with disabilities;
- Reflect non-stereotypical images of all groups in a global context;
- Include materials to raise awareness of equal opportunity issues

The Bishop Anthony Educational Trust

- Be equally accessible to all members of school community consistent with health and safety
- Not include explicitly and implicitly racist, sexist, homophobic or ageist materials.

Language

We recognise that it is important at St Edward's CE primary School that all members of the school community use appropriate language which:

- Does not transmit or confirm stereotypes;
- Does not offend;
- Creates and enhances positive images of particular groups identified at the beginning of this document;
- Creates the conditions for all people to develop their self esteem;
- Uses correct terminology in referring to particular groups or individuals e.g. Inuit rather than Eskimo, Native Americans rather than Red Indians.
- Use first language effectively for learning

Extra-Curricular Provision

It is the policy of this school to provide equal access to all activities from an early age.

We would undertake at St Edward's CE primary School to make appropriate provision for all EAL/bilingual children/groups to ensure access to the whole curriculum. These groups may include:

- Traveller and Gypsy Roma children;
- Those from refugee families;
- Pupils whom English is an additional language;
- Pupils who are new to the United Kingdom.

Personal Development and Pastoral Guidance

- Pastoral staff takes account of disability needs, gender, religious and ethnic differences and the experience and needs of particular groups such as Gypsy Roma and Traveller, refugee and asylum seeker pupils;
- All pupils are encouraged to consider the full range of career opportunities available to them with no discriminatory boundaries placed on them due to their disability, gender or race;
- All pupils/staff/parents/carers are given support as appropriate when they experience discrimination. We also recognise that the perpetrators of discrimination are themselves sometimes victims of their personal circumstances and therefore where appropriate remedial work is done to ensure that the actions do not occur again;
- Positive role models are used throughout the school to ensure that different groups of pupils can see themselves reflected in the school community;
- Emphasis is placed on the value that diversity brings to the school community rather than the challenges.

Staffing and Staff Development

We recognise the need for positive role models and distribution of responsibility among staff. This must include pupil's access to a balance of male and female staff at both key stages.

We undertake to encourage the career development and aspirations of all individuals.

It is our policy to provide staff with training and development, which will increase awareness of the needs of different groups of pupils in the various dimensions of equality of opportunity.

Staff Recruitment and Professional Development

- All posts are advertised formally and open to the widest pool of applicants;
- All those involved in recruitment and selection are trained and aware of what they should do to avoid discrimination and ensure equality good practice through the recruitment and selection process;
- Steps are taken to encourage people from under represented groups to apply for positions at all levels of the school (give examples);
- Access to opportunities for professional development is monitored on equality grounds;
- Equalities policies and practices are covered in all staff inductions
- All supply staff are made aware of equalities policies and practices;
- Employment policy and procedures are reviewed regularly to check conformity with legislation and impact.

Harassment and Bullying

It is the duty of this school to challenge all types of discriminatory behaviour e.g.:

- Unwanted attentions (verbal or physical);
- Unwelcome or offensive remarks or suggestions about another person's appearance, character, race, ability or disability, sexuality, gender (or transgender). The school has a clear, agreed procedure for dealing with incidents such as these.

Partnerships with Parents/Carers and the Wider Community

We aim to work in partnership with parents to help all pupils to achieve their potential.

We wish to affirm our continuing commitment to each out to all diverse groups within our immediate community and beyond. We would do this by:

- All parents/carers being encouraged to participate at all levels in the full life of the school;
- Setting up as part of the schools commitment to equality and diversity, a group made up of members of the school community including pupils, staff, local community members, parents/carers, local faith groups and local disability groups has been developed to support the school with matters related to its equalities duties;

- Encouraging members of the local community to regularly join in school activities e.g. school fair, black history month celebrations, Eid celebrations, harvest festival etc;
- Exploring the possibility of the school having a role to play in supporting new and settled communities.
