

Montgomery Junior School

Open your mind ▶ choose your future

12th January 2018

Dear Parents and Carers

Parents' Maths Master Class

I would like to offer parents the opportunity to experience the strategies and challenges that your children practise and master on a daily basis in class. I will be hosting sessions to explore a range of maths activities used in school in different year groups. Parents will be able to practise maths skills and apply these skills when supporting their child at home to help them develop a greater enthusiasm for the subject.

The sessions will be held in school on **Monday 29th January** from 2.00–3.00pm and on **Wednesday 7th February** from 9.15–10.15am. (Please note date on Parent News is incorrect). Please complete the slip below to book a place. All equipment will be provided and questions about maths strategies will be addressed in the sessions.

If you have any further queries please contact the school office and I will reply at the earliest opportunity. I look forward to seeing you at one of the sessions.

Yours sincerely

Mr M O'Malley
Class Teacher
