

St Joseph's Infant and Junior School Prayer Focus

January 2018

During the month of January, we remember to celebrate 'The Epiphany' on 6th January. We celebrate that the three wise men travelled to visit the new baby Jesus. They brought him special gifts of frankincense, gold and myrrh.

Dear God,

The Wise Men knew that Jesus was special.

Help us to make Jesus special in our life too.

Amen.

Commitment

We continue to learn all about the Gospel Values and the specific focus for this month will be commitment. Please talk to your children about what commitment is and how they can show commitment in their lives.

- I know how to be committed to something important
- I can be strong and stay committed to a promise I have made
